For the products you want to use the logo on, what is the total expected sales for the next 12 months?

Your licence fee is based on your estimated turnover for the 12 months of your licence renewal for all the products listed on your licence. You must enter a turnover figure (not \$0).

Click the “Set turnover” button, then click “Continue”.

When you click “Continue” you will be given details on how to pay your licence fee. Online payment is not available yet, but it is in the pipeline. We will send you a tax invoice for your licence fee.

Your renewal will not be complete until you have paid your licence fee. If you have added new products, you will also need to complete a statutory declaration for these products. If you need help with this, call us on 1800 350 520.
